The cars pictured on these two pages were chosen to be the top 12 representations of their models on campus. To enter the "Dream Car" contest each owner submitted an entry form for their car to be judged. Judging was held before and after school and decisions were based on a 1 to 10 scale rating paint, body, interior, and overall appearance.

The yearbook staff expresses their deepest apologies to senior, MARK DI MAGGIO. His light blue Datsun truck was the 12th winning entry. At the time of our deadline, a photo of his truck was unavailable for printing.

A year of people and events that affected each of us, our lives, and sometimes, even our history. Pope John Paul II gave us faith and a plea for peace in a world rocked by many wars. After 18 years of a regime both feared and respected, Leonid Brezhnev leaves a power vacuum in the Soviet Union. The world rejoices over the birth of the new heir to the English throne, Prince William. American movie star turned Princess Grace of Monaco, tragically killed in a car crash. The American Unemployed. John DeLorean, gambled on a cocaine deal to save his faltering motor car company. Steven Spielberg created a creature that only a mother and the world could love. The ailing U.S. economy begins to revive as stocks perk up and interest rates fall. War-From Central America to Southwest Asia to the Falkland Islands. President Reagan struggles to hold the nation and the economy above water. Lech Walesa, leader of Poland's Solidarity movement, released from government internment. The first patient ever to receive an artificial heart, Barney Clark. Three million children, ages 6 to 13-America's latch-key kids. Queen Elizabeth visits the U.S. and perpetuates the American fascination with royalty.

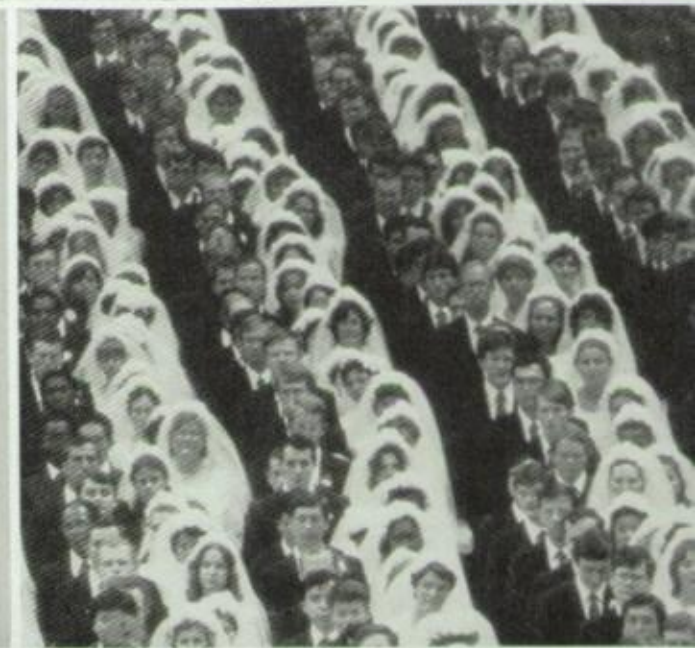

The painkiller was recalled after seven people died from cyanide-laced Tylenol capsules.

Garfield, the feline even cat haters couldn't resist. The Tylenol contaminations and similar poisonings caused widespread fear and demand for more packaging precautions. Herpes becomes the social disease of the year, causing its victims more emotional pain than physical. The World's Fair in Knoxville, Tennessee. Smurfs, a creation of Peyo Culliford, fascinate America. Anti-nuclear protestors sport their mutant masks. The penny isn't copper anymore, it's only copper plated. 2,075 couples united in Moonie bliss by the Reverend Sun Myung Moon. Valley Girl Moon Unit Zappa and Daddy Frank barf us out. Videomania from Ms. Pacman to Donkey Kong to home computers still reigns supreme.

HEALING HERPES

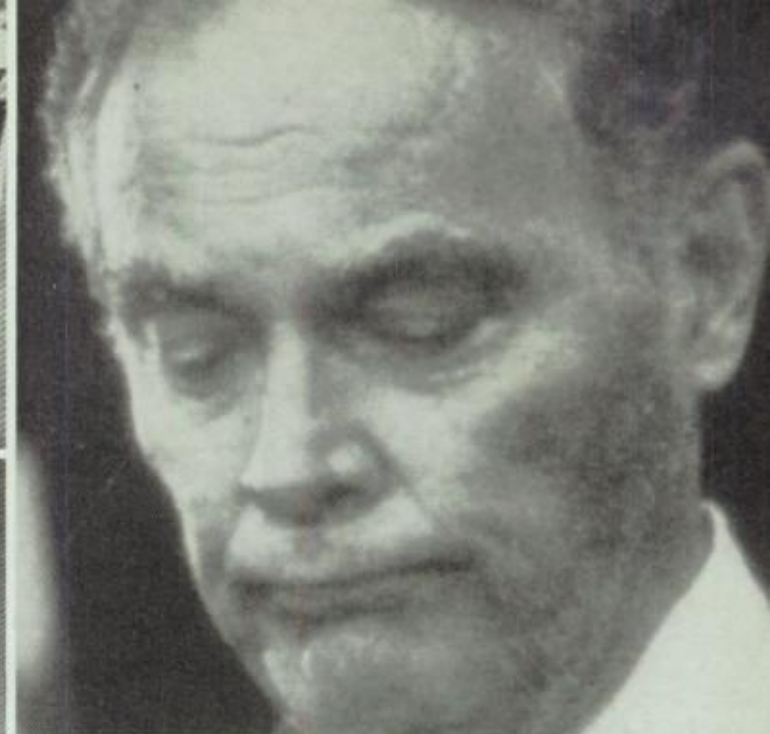

The Heartache Is Worse than the Virus

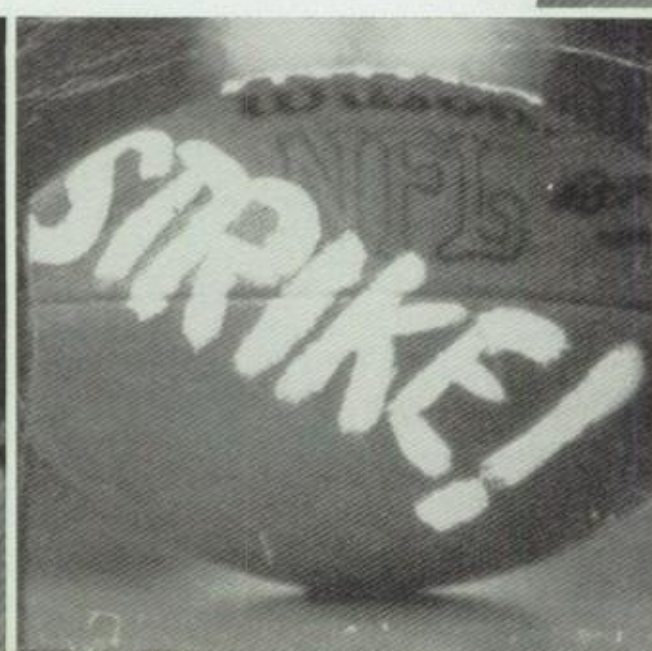

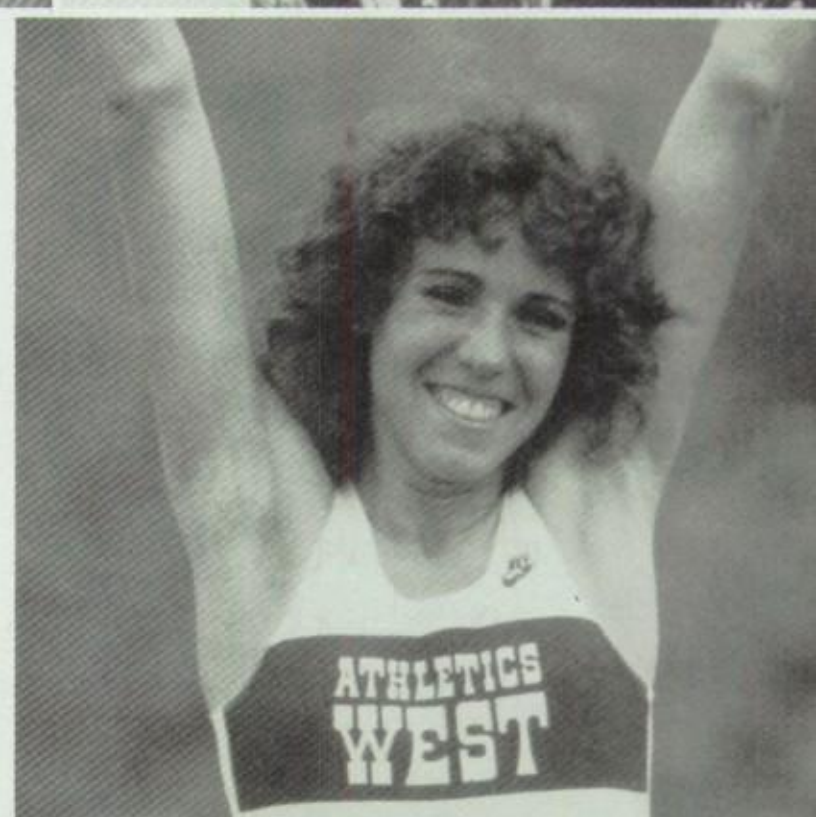

A glossary of Valspeak:

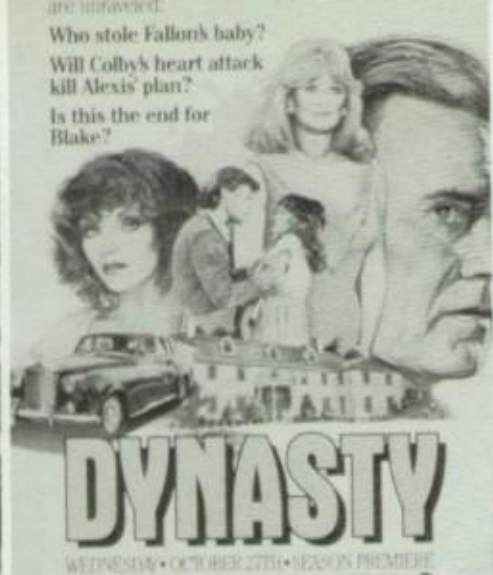

1. bag your face (you're ugly)
2. barf me out (that makes me sick)
3. beastly (a twit or a nerd)
4. bitchen (cool)
5. for sure (absolutely; also used for emphasis)
6. gag me with a spoon (barf me out)
7. grody (from grotesque)
8. I'm sure (no way-used sarcastically)
9. to the max (totally)
10. totally (for sure)
11. tubular (awesome, from a surfers' term for great waves)

The design of a young architectural student named Maya Ying Lin, the Vietnam Veterans' Memorial-a monument as controversial as the war it is a remembrance of. Secretary of State Alexander Haig resigns in June. John Belsuhi dead of a drug overdose at the age of 33. Screen actress Ingrid Bergman and 40 year veteran of baseball, Satchel Paige pass on. America's ninth largest airline, Braniff International, declares bankruptcy. Elaine Burford resigns as the EPA's chief. Holder of numerous records in the women's distance events, Mary Decker Tabb. Prince Andrew's American girlfriend, soft porn star Koo Stark causes a royal ruckus. West Chancellor Helmut Schmidt voted out of office by the Bonn Parliament. September's NFL strike. An American legend-mostly the good guy in 80 films including the critically acclaimed "On Golden Pond", Henry Fonda dies.

SOPHIE'S CHOICE

Tom Selleck, television's favorite detective in "Magnum P.I.". Critically acclaimed "Hill Street Blues" offers a realistic and sensitive view of precinct police department. Night-time soaps-from "Dallas" to "Falcon Crest" to "Dynasty". The end of an era as "M*A*S*H" goes off the air after eleven seasons. Ben Kingsley stars in the motion picture epic "Ghandi". Another Steven Spielberg shocker of the Summer, "Poltergeist". NBC's World War II drama "The Winds of War". Two contemporary comedies "My Favorite Year" with Peter O'Toole and Dustin Hoffman in a stunning transformation in "Tootsie". Meryl Streep's moving role as a survivor of Auschwitz in "Sophie's Choice." Two of "E.T."s other stars, Drew Barrymore and Dee Wallace. Richard Gere, Lou Gossett Jr. and Debra Winger produce a huge success with "An Officer and a Gentleman." "Without a Trace", a mother's anguish over her son's disappearance.

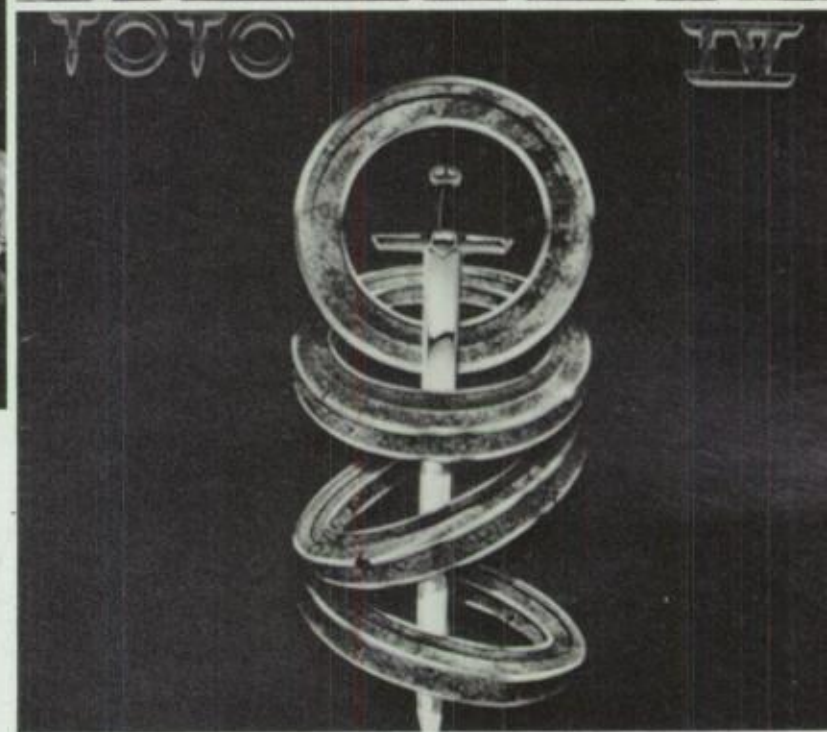

One morning, Alex Selky got dressed, waved goodbye to his mother, set off for school and disappeared.

Without a Trace

The year in music was definitely a mixture of many different styles and artists—from punk to rock to new wave to rockabilly and ska, from Australian to British to local bands playing at Radio City. Top albums included "Business As Usual"—Men At Work, "American Fool"—John Cougar, "Toto IV"—Toto, "Vacation"—The Go-Go's, and "Built For Speed"—The Stray Cats. The British imports had a great deal of influence here at home with artists such as The Beat, Madness, The Jam, Adam Ant, Duran Duran, Culture Club and ABC. 1982's Song of the Year Award was a tie between Lionel Richie's "Truly" and "Eye of the Tiger" by Survivor. Old American favorites such as Michael Jackson, Pat Benatar and Olivia Newton-John continued to turn out hits while many new bands gained exposure from cable TV and local clubs. Berlin, X, and the Blasters are just a few of these. As another milestone in musical history, the Who held their final concert.

The 1982-83 yearbook staff would like to use up this last blank page on the final day of our deadline to extend a very special thanks to all of the teachers who let us out of class to spend some overtime on this annual;

To: Mr. Campbell (s). Much thanks to both of you.

Mr. Schilicting, never have another T.A Who Edits the yearbook.

Mr. Callwell, Thanks Otis.

And to the rest of the faculty who tolerated the staff's deadline anxiety Attacks.

CAREER

ENTER

Cypress High School has a *Career Resource Center* available for students and community. It is open three days a week, at lunch time and after school. It opened in Nov. 1981. Students can research occupations in the pleasant, quiet roomy center, with the assistance of the career guidance technician. To begin the research you can go directly to various means, such as microfilm (this one tells the college you can get your education), files, books, school subject boxes, or you can look in a master notebook which lists all the occupations we have in the room and where they can be found. This information tells work performed, requirements, preparation, qualifications, working conditions, wages and outlook.

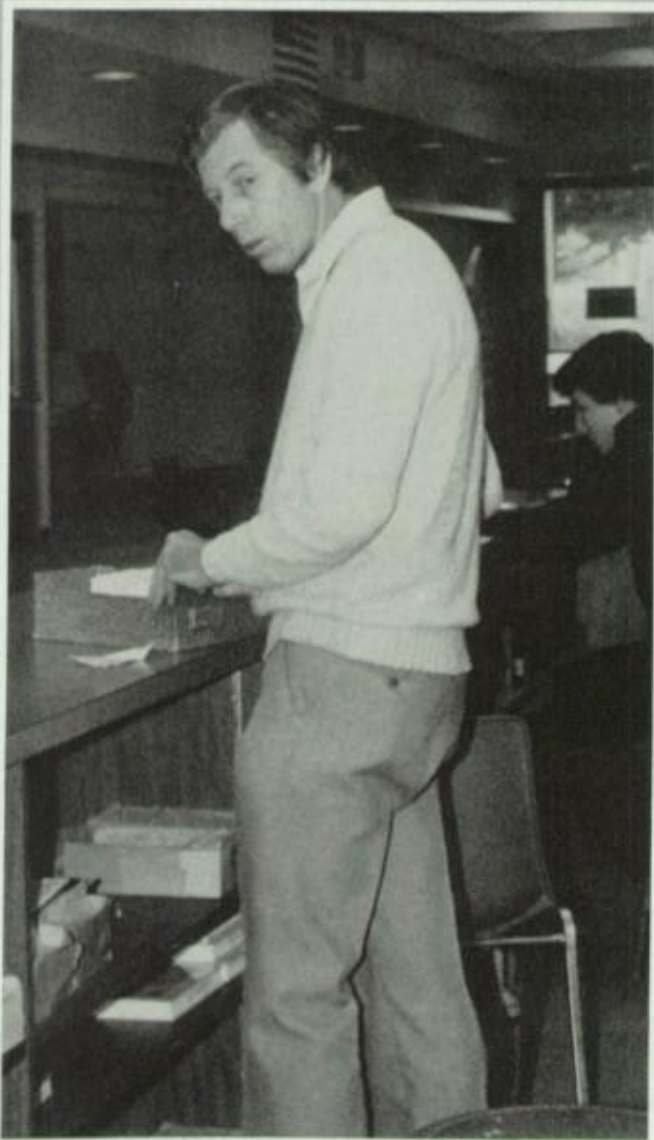

This year more students use the room as the teachers assignments for extra credit, and the counselors encourage the research of at least three occupations in this uncertain economy.

It is a large, spacious facility that also accommodates a typing room, a computer room, a teachers' workroom for photocopying and other graphic arts uses, and an audiovisual facility. Large display cases have displayed art objects from the ceramic classes. In the fall, we had a Japanese artifact display on loan from another library.

Centurion freshmen have been taught basic library skills through their English classes this year.

This years yearbook production was definitely an *interesting* experience. The staff, composed of, ah, *interesting* people put in a good deal of hard work and creativity into this book. We had some outstanding runners this year with Elaine Swenson getting the award of Most Valuable Player and Elaine Currin getting the top rookie award for ninth grade girls. Others were Kim Daniels and Ginny Lacey with their award of Most Improved. Lori Biancardi, Shannon Peterson received the Most Spirited award. Overall, all of the girls did really well this year.

Our thanks to coach, John Chaldy for his excellent coaching and support, and congratulations to the cross country team for their terrific year!!

COUNTRY TEAMS

The Cypress Cross Country team of 1982 was the youngest team in our history. Even with this disadvantage they had a fair season.

The top seven runners are on the varsity and the rest run J.V. and Frosh/Soph. While the top five positions remained consistent, there was alot of competition for the number six and seven positions. Steve Martin, Andi Gauderman and Ralph Ramirez were very close to each other and were battling for the remaining varsity positions.

Everyone has come a long way since the beginning of the year by doing alot of double work outs with the help of their coach, Bill Hiywka. The team elected as their captains William Feliciano and Robert Spence.

Congratulations to the Cypress Cross Country Team for all their fine efforts!

SAILING CLUB

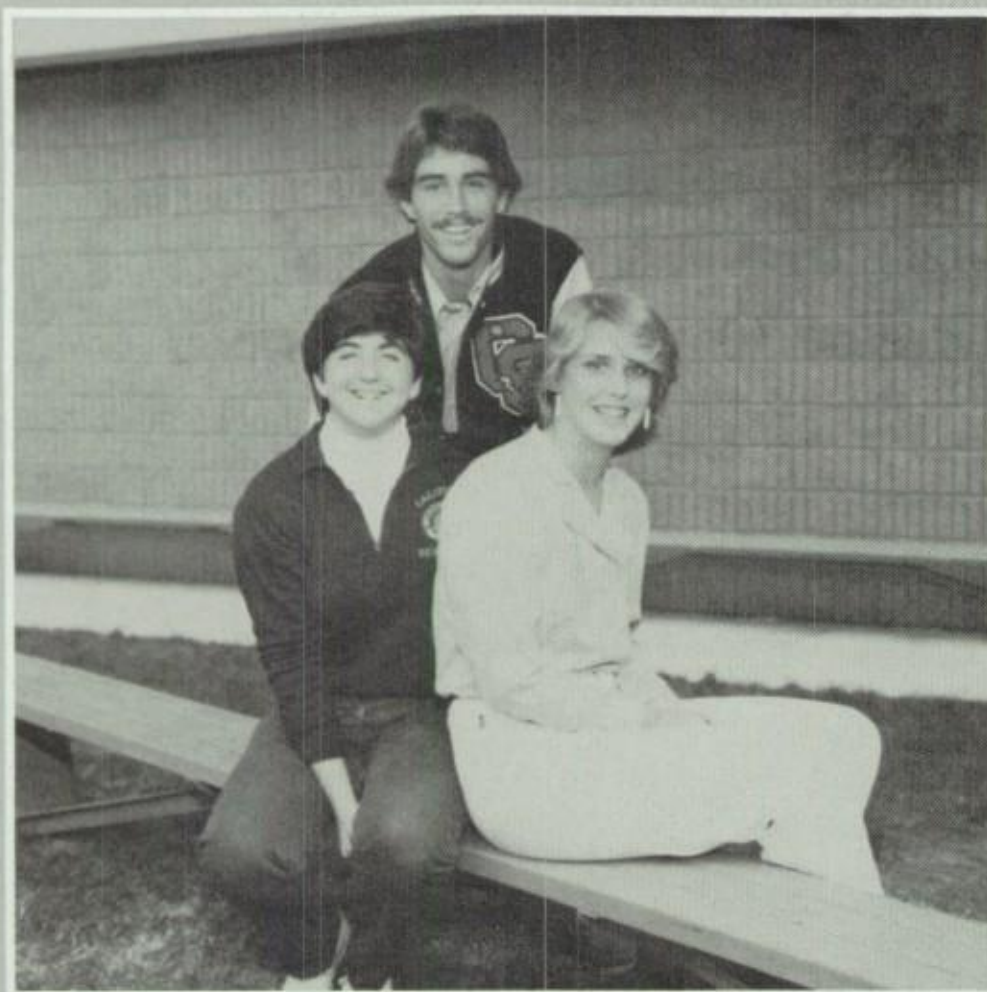

This year's Sailing Club, consisting of 51 people, had the largest enrollment since the club began in 1978. At our first outing we sailed from Newport Harbor aboard three sailboats.

Members raised money in preparation for the traditional Catalina trip by participating in the Cypress High School Christmas tree sale and a candy sale. We hope future sailors have as much success and fun as we have had this year.

 Well, excellent dude
 we made it through the year.
 It's really been the ultimate

 we will have to get totally rad
 we'll get fuckin' wasted, then
 we'll hit the pipe and get
 our faces gnarled out on the
 reef. If we survive that,

Varsity Club is reserved for those athletes who have lettered in a varsity sport here at Cypress High. Club members are responsible for many of the fund raising activities, such as the homecoming BBQ and the Donkey Basketball Game. With coaches Craig and Rayl as advisors, Varsity Club is one of the larger clubs on campus.

CLASS OF 1983

'83
THE
CLASS
TO BE!

The Class of '83

Composed of student council members and other seniors who wander into the Activities Office, the Class of '83 is responsible for many of the activities here on Cypress High's campus. The club is advised by Ms. Grady, Ms. Averill, and Mr. Haran. This year the Class of '83 put on a terrific Spirit Week and Homecoming Dance in November. Senior interests and privileges are also a concern of this club. The Class of '83 owes a very special thanks to Mr. Peters, Activities Director, for all his support and to Mrs. Pachon, "Mom", for all her help and patience in pulling us through it all.

The Class of '83

CLASS OF '84

The Class of '84' put on the Jr/Sr Prom this year. The Prom was held at the Queen Mary. The Prom was very successful. We would like to wish all of the seniors the best of luck in the years to come.

Sandra Vonthal-President

CLASS OF '85

The class of '85 is striving for new success in school spirit and class activities. We are proud to say that we put on a successful Winter Formal and we are anticipating putting on next year Junior/Senior Prom. We would like to thank everyone who has helped us with our activities. We hope that this year and the rest of our high school years will be the best and we will have cherished memories throughout our lives.

Amy Lehner-President

CLASS OF '86

The class of '86 is off to a great start. We had a jewelry sale and put on the "Sadie Hawkins" dance. We are going to be a great influence on Cypress High and we are looking forward to our remaining years. LOOK OUT - HERE WE COME!!

The Chemistry Club has been growing and active this year. We ran a very successful Carnation sale just before Christmas and the AP Chemistry class has been running tutoring sessions at lunch. We would all like to thank Mr. Beard for all the support and help he has given us.

Cypress Computer Club is a new club on campus this year. It meets every Monday after school in the Computer lab room 212. The club is for students who enjoy programming a computer and want to be challenged. Different languages are explored with an emphasis on machine language and graphics.

When a student has a question, the computer club tries to resolve the problem. This club has been referred to as the Apple User Group of Cypress High.

TOTALLY!!!

toad,

I have no idea what to say or write.
I'm really glad I had the opportunity
to meet you over the last year, you've
got an outrageous personality that I wish
I could have shared more of with. I really
enjoyed the beginning of the year ~~and~~. I'm kind
of confused about what happened, but...time changes
people. When I first met you I was so shy to be
around you, I didn't know what to expect. You
made the time I spent with you so easy to talk and
stuff that I eventually eased up. (a little anyways.) A couple of
nites ago I started thinking about how we never talk anymore.
and I wanted to call you. In fact, there were a lot of times
I wanted to call you, but chickened out. I didn't know if you
wanted to hear my voice. Oh well! I also started thinking
of other things, like the nite I took pictures at the beach,
I have them or some, blown up on my wall & it reminds
me of you. This may be really boring or whatever to you,
but I've always wanted to tell you these things. When
you were cheering and stuff I wanted to talk to you,
but didn't. Anyways, I'm really glad that you shared
a part of my senior year. You're a really special
person to me even tho' we rarely talk. Take care over
the summer, call me sometime and maybe we
could talk. I'd really enjoy that. Have a terrific
senior year- (I know, I did) I hope I'll see you.

Love,
Kristine S. ☺

Dr. Kuzmick - Principal

1982-83 has proved to me that Cypress High School is a great place to be. All the curricular and co-curricular activities pictured in this yearbook are evidence of this fact. The memories of life at Cypress are to be treasured for the rest of your lives. Your academic achievement and citizenship values, learned here, are to be remembered as part of Cypress life. The foundation you have built for your future has been recorded in these pages. Take what you now have and push yourself beyond a point that you thought was your limit. Good luck.

There are many ways
 that life can bring
 But friendship is
 the sweeter thing!
 A shoulder to cry on
 An ear to lend
 Money to borrow
 Clothes to lend
 Friday night mazes
 After school jokes
 Being together
 Our private talks
 mending our hearts
 crying those tears
 Planning our future
 Voice in our ears
 Our memories together
 Days that are end
 because they're
 so good

D Kerry,
 Although we have been
 through so much, we still
 managed to stay together.
 I guess that this is just
 something about us that
 keeps us together. You are
 very special to me, my friend.
 And the sister that I
 never had. & God knows

 better. I will pray as you
 grow stronger in the Lord, &
 that you will make the best
 of your future that you can.

Well, did we finally make it. You are a

 lot together, some bad, but mostly good.
 I'll always remember our Friday & Saturday
 nights when the regular gang, all the
 times we went to the kitchen parties!
 Red and Kevin went swimming and Kevin
 drowned. Dad was really out of it.
 So I took care of him. Joanne and Dad
 getting into their argument & Joanne had
 to cut out. I will never forget
 you! It's been really super knowing
 you and hope we're friends forever!
